

AMENDATORY SECTION

WAC 230-10-185 Electronic bingo card daubers restrictions.

- (1) Electronic bingo card daubers must not allow a player to play more than ((~~sixty-six~~)) one hundred forty-four cards on the dauber at one time; and
- (2) Players must:
 - (a) Input each number the operator calls into the memory of the dauber separately. Automatic or global marking of numbers is prohibited; and
 - (b) Call the bingo without using the dauber or the associated system; and
 - (c) Identify the winning card and display the card to the operator; and
 - (d) Not play more than one dauber at any point in time. However, a player may play one dauber and an unlimited number of bingo cards at the same time.
